Description

The Mobilization Day at the Transforming Education Summit (16, 17 & 19 September 2022) will be youth-led and youth-organized and will involve the full participation of a wide range of stakeholders. It will serve to convey the collective recommendations of youth on transforming education to decision and policymakers, informed by the Summit Youth Declaration.

The Transforming Education Summit is being convened in response to a global crisis in education – one of equity and inclusion, quality and relevance. Often slow and unseen, this crisis is having a devastating impact on the futures of

children and youth worldwide. The Summit provides a unique opportunity to elevate education to the top of the global political agenda and to mobilize action, ambition, solidarity and solutions to recover pandemic-related learning losses and sow the seeds to transform education in a rapidly changing world.
