No session

16:30 - 17:15:

Mainstreaming business education and net zero commitments for sustainable development

Action Track 2

Organized by Deloitte, Costa Rica, Switzerland, USA and UNITAR

The Transforming Education Summit is being convened in response to a global crisis in education – one of equity and inclusion, quality and relevance. Often slow and unseen, this crisis is having a devastating impact on the futures of children and youth worldwide. The Summit provides a unique opportunity to elevate education to the top of the global political agenda and to mobilize action, ambition, solidarity and solutions to recover pandemic-related learning losses and sow the seeds to transform education in a rapidly changing world.
